**SUPPLEMENTARY INFORMATION:**

**I. Purpose**

Under section 706 of the Social Security Act (the Act), the Secretary of Health and Human Services (the Secretary) appoints the Council every 4 years. The Council examines issues affecting the Social Security Old-Age, Survivors, and Disability Insurance (OASDI) programs, as well as the Medicare program and impacts on the Medicaid program, which were created under the Act.

In addition, the Secretary has asked the Council specifically to address the following:

- Social Security financing issues, including developing recommendations for improving the long-range financial status of the OASDI programs;
- General program issues such as the relative equity and adequacy of Social Security benefits for persons at various income levels, in various family situations, and various age cohorts, taking into account such factors as the increased labor force participation of women, lower marriage rates, increased likelihood of divorce, and higher poverty rates of aged women.

In addressing these topics, the Secretary suggested that the Council may wish to analyze the relative roles of the public and private sectors in providing retirement income, how policies in both sectors affect retirement decisions and the economic status of the elderly, and how the disability insurance program provisions and the availability of health insurance and health care costs affect such matters.

The Council is composed of 12 members in addition to the chairman: Robert Ball, Joan Bok, Ann Combs, Edith Fierst, Gloria Johnson, Thomas Jones, George Kourpias, Sylvester Schieber, Gerald Shea, Marc Twinney, Fidel Vargas, and Carolyn Weaver. The chairman is Edward Gramlich.

The Council met previously on June 24-25 (59 FR 30367), July 29, 1994 (59 FR 35942), September 29-30 (59 FR 47146), October 21-22 (59 FR 51451), November 18-19 (59 FR 55272), January 27 (60 FR 3416), February 10-11 (60 FR 5433), March 8-9 (60 FR 10091) and March 10-11 (60 FR 10090).

**II. Agenda**

The following topics will be presented and discussed:

- Options for ensuring the long-term financing of the Social Security program;

- Changes to Social Security benefits to ensure relative equity and adequacy; and

- Relative roles of the public and private sectors in providing retirement income.

The meeting is open to the public to the extent that space is available. Interpreter services for persons with hearing impairments will be provided.
